## GATE BAN OF AKE ZURIC

# BICENTENNIAL

SINCE 1975 WAS INTERNATIONAL WOMEN'S YEAR, WE FELT IT APPROPRIATE TO DEDICATE THIS YEAR'S ELYTE TO A WOMAN. THIS PARTICULAR WOMAN HAS BEEN LOYAL NOT ONLY TO HER SCHOOL, BUT ALSO TO HER STUDENTS. FOR TEN YEARS, SHE HAS DEMONSTRATED EXCELLENCE AS A TEACHER, POM PON SPONSOR, AND COACH TO VARIOUS WOMEN'S SPORTS. TO MS. MARY SKOGMAN, THE YEARBOOK STAFF OF 1976 DEDICATES THIS SPECIAL BICENTENNIAL ELYTE.

# LOOK UP

In its own way, Lake Zurich High School represents our total America. Its leaders—the administration; its advisors—the faculty; its representatives—the team; its population—the students. This Elyte's theme is not as much Bicentennial as it is American.

# WORDS FROM OUR PAST

“What does education often do? It makes a straight-cut ditch of a free, meandering brook.”

H.D. Thoreau  
Journal, Oct. 1950

“It is time for a new generation of leadership, to cope with new problems and new opportunities. For there is a new world to be won.”

Pres. John F. Kennedy  
July 4, 1960, television address

“The roots of education are bitter, but the fruit is sweet.”

Aristotle Sec. 18

“I cannot conclude without mentioning how sensibly I feel the dismemberment of America from this empire, and that I should be miserable indeed if I did not feel that no blame on that account can be laid at my door, and did I not also know that knavery seems to be so much the striking feature of its inhabitants that it may not in the end be an evil that they will become aliens to this kingdom.”

George III of England, Letter to  
Shilburne, 10 November, 1782

“They (academies) commit their principles to the theatre of the world, with just enough of learning to be alienated from industrious pursuits, and not enough to do service in the rands of science.”

Thomas Jefferson, Writing  
Vol. XIV Pg. 150

“It may seem strong that any men should dare to ask a just God’s assistance in wringing their bread from the sweat in other men’s faces, but let us judge not that we be judged.”

Abraham Lincoln  
2nd Inaugural Address  
March 4, 1865

When I was a child my mother said to me, “If you become a soldier you’ll be a general. If you become a monk you’ll end up the Pope.” Instead I became a painter and wound up as Picasso.

Picasso on education

“My forefathers didn’t come over on the Mayflower, but they met the boat.”

Will Rodgers

“We have not remade paradise on earth. We know perfection will not be found here. But think for a minute how far we have come in 200 years.

We came from many roots and have many branches. Yet all Americans across the eight generations that separate us from the stirring deeds of 1776, those who know no other homeland and those who just found refuge on our shores, say in unison: Better for our children.”

Pres. Gerald Ford  
State of Union Address Jan. 1976

The purpose of the BEAR FACTS school newspaper, a monthly publication is to inform, amuse, and champion causes of the school community. Its pages include editorial opinion, music review, a Question of the Month, sports and club coverage, news, photographs, and art illustrations and cartooning.

Our staff started the year by attending a newspaper seminar sponsored by the University of Wisconsin at Whitewater. Applying the knowledge gained there, we meet on a weekly basis and discuss, formulate, and write news for the paper. Our BEAR FACTS is not only distributed to the school community but to the Lake Zurich community as well.

The Outdoor Club was founded to give the students a direct experience with the natural surroundings. Through camping and other outdoor experiences the members will get a better understanding of the environment and mans role in it. The club members will learn how nature functions and how to enjoy it and not destroy it.

Activities include weekends centered around cross country skiing, canoeing, and rock climbing. Other activities include swimming, repelling, and ice skating.

The members of the club also take part in community projects.

The 1975-76 pom pon girls had a very successful year performing at every home football game and basketball game. The corp consisted of 25 girls who were led by senior leader, Chris Erickson, and junior leader, Sue Langerhammer. The corp was sponsored by Mrs. Marcia Maule.

The corp offered a variety in their routines from a rock number with white gloves rather than pompons to the red, white, and blue pom pons of the bi-centennial routine. All of the routines were conceived and planned by the leaders during the football season. During the basketball season individual members of the corp were responsible for the creation of the routines.

The pompon corp adds spirit to the student body through performing "Loyalty" at all games and provides entertainment at all half-times.

AFS is a service organization whose goal is to attain international understanding. The main purpose of our social functions is to raise money to allow our students to go abroad and finance students from other countries to come to Lake Zurich. In both cases, it is desired that the experiences of our A.F.S. students and our "returnees" are shared with the student body.

International Thespians—Thespians is an honorary dramatic society. Those who are elected into this group have served the school in at least three major dramatic productions or have done extensive work to pledge their interests in the club effort in at least two major productions. The election system is a point system, whereby members of the drama club are awarded honorary points dependent upon the difficulty of the roles they portray and the additional work crews they participate in. We are very proud of our society, as it has doubled in the past year. We are hoping that it will triple in 1976. It is indeed an honor to be inducted into Thespians.

The STUDENT GOVERNMENT is an organization whose objectives are as follows:  
1) To better relationships between students and administration, 2) To act in a representative fashion and thereby make decisions which will benefit the student body as a whole, 3) To enhance the general atmosphere of the school and hence make it more complimentary to the educational process.

Student Government, in cooperation with the Reach-out group, helped to sponsor a blood drive in the school. The effort met with great success, with over 65 of the students over 17 years old donating their time and 1 pint of blood to a very worthy cause.

# GRANDMOTHERS CLUB

The GRANDMOTHERS CLUB is a branch of the REACH-OUT club, a club organized to help other people. The GRANDMOTHERS CLUB is composed of a group of kids who go to St. Joseph, a home for the elderly, in Palatine, to visit their adopted "grandmothers" and "grandfathers".

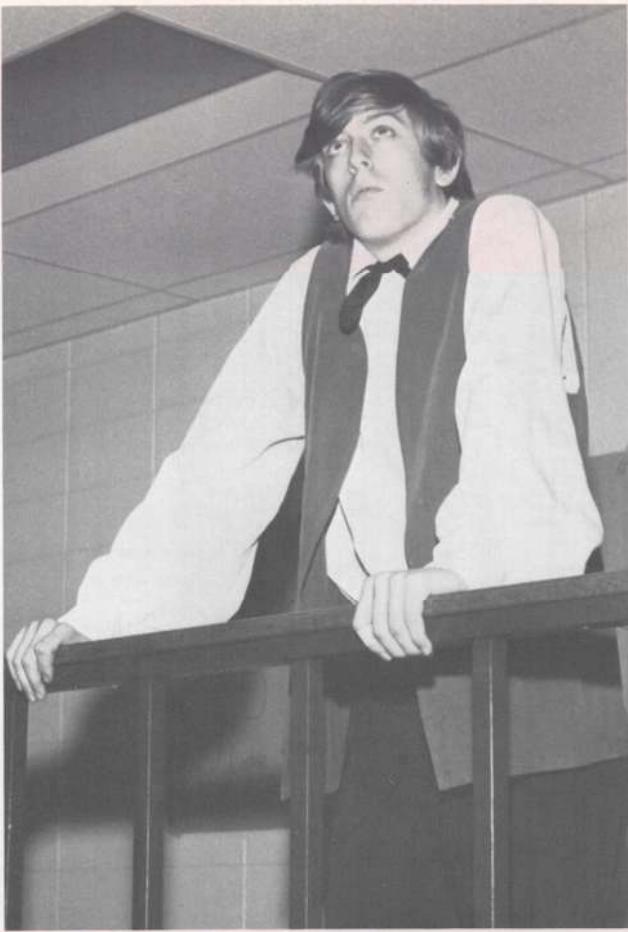

Every Monday, from 3:30 to 5:00 in the afternoon, each person in the group visits with his "grandparent", sometimes helping him do crafts, body therapy; but mostly the time is used just talking to the elderly people needing companionship and love.

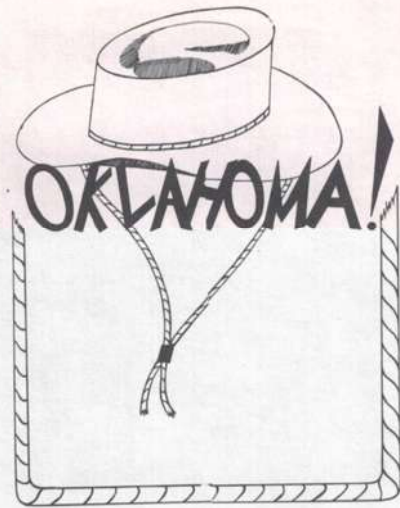

The group has planned a Christmas Party and Thanksgiving party, as well as an afternoon tea. They hope to have a Song Festival soon.

Student library volunteers do circulation and processing work in the school library. Circulation includes charging materials in and out and re-shelving books and magazines. Processing covers work on new books and magazines, getting them ready to be used. Aides also learn about repairing materials. Two of the boys in the above picture work with audio-visual equipment and materials. Beginning with this school year, non-academic credit is being given to library aids who work in the library.

# EDITOR'S COMMENTS

In September of '75 a group of the Elyte Staff concluded that once again, copies of the yearbook would be published. Of the long, hard hours which went into preparing this book, you, the student body, will never know. Whether this issue stands or falls, we had fun making this book. We hope it will serve the purpose of helping you to remember this past year of high school. I would like to thank those of you who have made this year interesting and worthwhile.

To the Following . . .

Peggy E. Luce; Co-Editor: Whose great help and devotion made this book possible.  
Lisa K. Schwicardi; Layout Manager: With her long hours of work and many layouts kept us going.

Bev Isidro; Photographer and Layout: Whose smile and great picture helped us to endure through the year.

To the Three Stooges' "Ma & Pa": Thanks for helping us through!

Joy Breda; Cover Designer: Thanks for the hard hours which went into making the cover.

Lon Johnson; Photographer and Ads: Whose pictures and friendly persuasion helped pay for this book.

To Sue Zalog, Carole Wheelock and all others who helped: Thanks Very Much!!

William J. Weber: Advisor: Whose guidance and understanding will never be forgotten.

Sincerely,

Dorlene E. Morris
